Alice Hughes Narrowly Escapes Being Burned to Death.

SHE WENT INTO THE CELLAR WITH A MINER'S LAMP WHICH SET FIRE TO HER CLOTHING—MARQUETTE COUNCIL'S LITERARY CIRCLE GIVES AN ENTERTAINMENT—PETER CAMPBELL SAYS HE WAS WAYLAINED AND BEATEN—BRIEFER PARAGRAPHS OF NEWS.

Alice Hughes, daughter of Mr. and Mrs. Patrick Hughes, of Meade avenue, narrowly escaped being burned to death yesterday afternoon.

The child's mother sent her into the cellar to get some articles, and as only a limited amount of light was admitted through a small window in the wall, she was compelled to secure the aid of a mine lamp in the search. She had been down but a few minutes when her mother was startled by screams. She quickly hurried to the cellar and found her daughter enveloped in flames. The flame of the lamp had come in contact with her clothes. The mother with difficulty extinguished the flames. The girl's body was badly burned. She suffered intense agony. Mrs. Hughes was also severely burned about the hands.

MARQUETTE ENTERTAINMENT. The literary circle of Marquette council, Young Men's Institute, gave an interesting and instructive entertainment at their headquarters last evening. Declamations and select readings were given by some of the members, after which there was a debate on the subject, "Resolved, That Natural Ability is Better Than Acquired Ability." The affirmative and negative sides were warmly defended.

WAS BADLY BEATEN. Peter Campbell presented a much-battered appearance when he presented himself before Alderman Roberts yesterday to issue a warrant for his assailant, James O'Boyle. Campbell related to the alderman that while on his way home Monday night he was waylained and beaten on Erie street. They beat him with energy, and only his lusty cries for help drove them away. The alderman gave O'Boyle a hearing last evening.

TOLD IN A FEW LINES. The officers of Rescue lodge, Knights of Pythias, conferred decrees upon a large number of candidates in Osterhout's hall last evening. They were assisted by members of Panocha lodge of the same order.

This evening Camp No. 175, Patriotic order, Sons of America, will make merry, the occasion being the eleventh birthday of the society. Several speakers of prominence will participate. The incessant rains of the past few days got George Lucas in trouble. Not being the owner of an umbrella he readily appropriated one to his use. The owner, Constantine Passa, had a warrant issued for Lucas' arrest. Alderman Fiddler held him in the sum of \$500 bail for court.

The Ladies' Aid society of the Meth-

odist Episcopal church will hold its annual meeting tomorrow evening at 7.30 o'clock. Collectors, treasurer and secretary will make reports, the membership roll will be called and an election of officers held.

Mr. and Mrs. Stephen Chappell, of West Market street, are visiting in Philadelphia. The St. Veronica Ladies' Temperance society held an important meeting in their rooms last evening. The funeral of Della, 2-year old daughter of Mr. and Mrs. James Foy, took place yesterday afternoon from the parental home at Mountain Drive. Interment was made in the family plot in Hyde Park Catholic cemetery.

An ice cream social will be held at the North Main Avenue Baptist church next Monday evening. The affair will be for the benefit of the church choir.

Mr. and Mrs. William Eldridge, of North Main avenue, are entertaining relations from Wisconsin.

Mr. and Mrs. J. Lawrence, of Summit avenue, are sojourning in New Jersey.

DUNMORE. Dr. Cartz, who has been visiting friends at Trenton, N. J., for the past few days, returned home yesterday afternoon.

Miss Della Williams, of Bloom street, is visiting in New York. Mrs. Thomas Thorburn, of Peckville, spent yesterday with friends in town.

The Ladies' Aid society of the Methodist Episcopal church will hold a social at the home of Mrs. Thomas Young, of Drinker street, this evening. Vocal and musical selections will be rendered.

Owing to the inclemency of the weather yesterday afternoon there were not as many at the flag presentation as was expected. But though small in numbers, they were full of enthusiasm. An interesting program was rendered as follows: Singing, primary class; address A. B. Stevens; recitation, John Miller; recitation, address and presentation of flags, W. B. Wilson; address and acceptance, Superintendent Howard; raising of flag; song, "Star Spangled Banner." After the program was rendered the flags were presented to Nos. 3, 4, 5, 7, 8 and 9 schools, committees from each school receiving its respective flag.

Telling Bargain Truths. The last week in May has come, and we're getting anxious about our Fancy Dress Goods Stock, not, however, because it is any larger than usual at this season of the year, but because there's always so many odd lots and seasons lines to clean up before our semi-annual inventory comes along on the first of July next. All strictly summer fabrics in this department are marked at clearing prices from this day forward.

As a Proof of Our Earnestness to make a clean sweep throughout the department before we take stock, we submit the following remarkable price-cutting examples, and assure our friends that there are many more in the store just as good in every way, which lack of space forbids our mentioning.

OUT BUT A FEW HOURS. Mary Boylan, of Taylor, Pa., also called "Cyclone Kate," was committed to the county jail yesterday morning for thirty days in default of \$10 fine. "Huh!" quoth the cyclone, "and how could I have \$10 and only out since 2 o'clock yesterday afternoon. Am I Helen Gould, d'ye think?" Mrs. C. L. Davis and daughters,

Keep in mind that Scott's Emulsion contains the hypophosphites.

These alone make it of great value for all affections of the nervous system.

It also contains glycerine, a most valuable, soothing and healing agent. Then there is the cod-liver oil, acknowledged by all physicians as the best remedy for poor blood and loss in weight.

These three great remedial agents blended into a creamy Emulsion, make a remarkable tissue builder.

Runaway Daughter's Letter Gets Her Father into Legal Difficulty.

OPENED A LETTER SENT BY HER TO A FRIEND AND THE LATTER HAS HIM ARRESTED—DISPUTE AS TO AN ALDERMAN'S JURISDICTION IN THE CASE—ALDERMAN DONOVAN'S SON THE VICTIM OF A BOY'S MALICIOUS ACT—MISS GIBBS' RECITAL THIS EVENING.

In his endeavors to find his runaway daughter, a solitary father has committed an offense for which he will have to answer to the United States government.

In this column yesterday was noted the escapade of Sophia Friendenschuss, of Moltke avenue, the girl who a week ago ran away from her home and whose whereabouts are now unknown.

When the girl went to Dalton she wrote a letter to Rose Musil, a companion, who lives on No. 5 mountain, and whose mail has been for many months left at the Friendenschuss home, owing to Ross's home not being within the limits of the mail delivery. When the letter, which was addressed "Miss Rose Musil, No. 5 Mountain, Scranton, Pa.," was left at the residence of Friendenschuss he recognized the penmanship of his daughter, and opened the letter and learned where she was located. The letter was a short one, telling of her "lucky escape from home," as she put it, and extending a hearty invitation for Rose to visit her, and "Tell Joe everything is all right."

Miss Musil ascertained that Friendenschuss had the letter and yesterday morning she went before Alderman Ruddy, of the Twentieth ward, and had a warrant issued for his arrest on the charge of opening and keeping a mailed letter addressed to her. The defendant was arraigned for a hearing last evening. Friendenschuss admitted opening the letter, but made no further statement, and entered bail in the sum of \$500.

Alderman Ruddy's jurisdiction in the case is questioned by Friendenschuss, who holds that it must be heard by a United States commissioner.

HIT WITH A STONE. Neel Donovan, the young son of Alderman Donovan, was hit on the head with a stone yesterday by a companion. The blow inflicted a deep gash. The attack was a malicious one, as the statements of those who saw the affair. Mr. Magerty was sent for and dressed the wound. It will be many days before the injured boy can resume his studies.

MISS GIBBS' RECITAL. The recital under the direction of Miss Margaret Gibbs, of the West Side, in the Cedar avenue Methodist Episcopal church this evening will attract the representative people of this side to the event. The programme arranged for the occasion, which was published in Monday's Tribune, is the best that has been presented in this section in many months.

NUBS OF NEWS. Miss Louisa Williams, of Green Ridge, gave an interesting talk in the Young Women's Christian association rooms last evening on her recent trip in California.

Miss Esther James, who was scalded by hot water ten days ago, is able to be about again.

Frank Walters has returned from a visit at West Chester, Ohio.

The William Connell Hose company held a meeting last night at which arrangements for the excursion to Lake Ariel on June 18 were perfected. A large number of the lady friends of the members of the company were present and promised their assistance. Another meeting will be held on Sunday.

School Controller Louis Schwass, of the Nineteenth ward, ordered an 80-foot pole yesterday for the flag raising at No. 30 school Monday. It is not probable that the pole can be erected for the exercises, consequently the one now used will answer for the occasion. The programme for the event has not been completed.

William Rader, the hotel man, is entertaining Frank Engler, Hubert Schmidt and Valentin Schwartz, of East Mauch Chunk, who are delegates at the German Catholic convention.

Mrs. William Merion, of Irving avenue, is dangerously ill.

Rev. Anthony Durkin, of Hoboken, N. J., has returned after a visit with his family here.

The Ladies' Aid society of the Cedar avenue Methodist church, gave an ice cream festival in the lecture room of the church.

St. Patrick's Total Abstinence and Benevolent society of St. John's congregation met in special session last evening in the church basement to take action on the death of Matthew Malia, who was a charter member of the society and a most ardent advocate of total abstinence. A committee was appointed to draw resolutions of condolence. The society will attend the funeral in a body. The funeral will be held tomorrow morning, with services in St. John's church at 9.29 o'clock. Interment will be made in the Cathedral cemetery.

Dr. John J. Walsh is at Philadelphia.

GREEN RIDGE. George Brown, of Sunderland avenue, who has been spending a few days at Paterson, N. J., has returned home.
